About Us

The Girl Scout Leadership Experience is centered on four pillars—STEM, Outdoors, Life Skills, and Entrepreneurship, and is designed to build confidence in every girl, regardless of background or ability. Guided by supportive adults and peers, girls develop their leadership potential through age-appropriate activities that enable them to discover the world around them.

Today's Girl Scouts are tomorrow's world changers, and at Girl Scouts of Suffolk County, we are committed to helping every girl build a foundation for success.

**Celebrating 20 Years of
Holiday Magic!**

From quiet beginnings in the parking lot of our beloved Camp Edey to becoming one of Long Island's largest holiday attractions, the Girl Scout's of Suffolk County Holiday Light Show has spread the joy and wonder of the season for 20 years. Our family-friendly experience supports our mission to build girls of courage, confidence, and character who make the world a better place. **This year we move all the magic to Southaven County Park in Yaphank and present you with our expanded Holiday Light Show at the Enchanted Forest.**

This walk-through experience allows you to be a part of the magic, strolling past your favorite displays across over a quarter-mile of trail and visiting our expanded Chill Zone, where you can warm up at our fire pits and play outdoor games. Plus, stop by the Winter Village for shopping and snacks before grabbing a selfie with Santa.

Our Girl Scout Way is back with 20 displays conceptualized by Girl Scouts among the 80 dazzling displays that will make this our biggest and brightest show yet. Nestled in the campgrounds of Southaven County Park, with the forest as our backdrop, you'll be able to capture photos like never before and create memories that last a lifetime.

When you support the Girl Scouts of Suffolk County Holiday Light Show, you join the generous individuals investing in the next generation of world changers. Your donation gives girls from all economic backgrounds a space to lead and thrive as they gain access to life-changing experiences, leadership programs, and financial scholarships that expand their horizons.
