Thank You

Dear Friends,

Throughout the years, thanks to supporters like you, we have been able to bring unique and exciting experiences to our girls.

In keeping with this tradition, our *Discovery World STEM Center* has become an ideal place for girls to have a first-rate, hands-on approach to discovering the exciting world of STEM through demonstrations and experiments, special guest presentations and field trips. Your generosity helps us to provide STEM scholarships to children in need, so that they may experience *Discovery World* and foster their own STEM adventure.

Sharing in our vision of making innovative experiences readily available for girls is our 2017 Golf Classic Honoree, Peter A. Appello, Executive Vice President for Capital One Bank. We are delighted to honor Peter, as his dedication to philanthropy and community service set a wonderful example for our young women who strive to help others at all times.

Sincerely,

Yvonne Grant
