girls making their world a better place

International Celebration: 150 Girl Scouts attended SU 60's 2017 International Day celebration. The girls represented 11 countries from around the globe, and hosted 200 guests.

Super Silvers: Girls in Troop 436 earned their Silver Awards for completing their projects that helped the Huntington Interfaith Homeless Initiative (HIHI).

What's Cookin': Girls in Troop 3767 learned how to safely cook their own meal of spaghetti and meatballs and garlic bread with the help of the Kitchen Times' Party Place owner.

Fine Feathered Friends: After learning about different local shorebird species from the Cornell Cooperative Extension, girls in Troops 288 and 3787 went on a hike hoping to catch a glimpse!

Defense Divas: Daisy Troop 2324 had a great time learning some self defense moves at a local martial arts & fitness center.

Government Gals: Girls in Junior Troop 2470 took a tour of Brookhaven Town Hall, and had an opportunity to interview Councilman Kevin LaValle as part of earning their Inside Government Badge.

Girl Scouts in the 500+ Cookie Club are all smiles during their summer celebration at the Meadow Club.

ANOTHER FALL & ANOTHER GREAT YEAR OF GIRL SCOUTS

Welcome to another wonderful year of Girl Scouting!

We are excited to be back and are looking forward to another fall packed with terrific programs and activities.

Our nuts and magazine sales are in full swing. Be sure to take a look at all of the patches and incentives you can earn when you participate.

In membership news, the Volunteer Toolkit (VTK) is live! This valuable online tool will help you plan meetings for the entire year, engage with girls' parents, offer tips and tricks and much more!

We are also delighted to announce that the 14th Annual Holiday Light Show will be at Smith Point County Park in Shirley from December 1 - December 30.

The show will boast new surprises as well as a return of many of your favorites.

Learn more about the Holiday Light Show in this issue, or visit www.holidaylightshow.org.

We look forward to seeing everyone at our programs and events this fall!

FALL PRODUCT SALE

Ready, Set, Glow!

The Fall Product Sale is one of the easiest and best ways for girls to start earning troop funds. It helps leaders save on membership fees, program registrations, meeting supplies and more before the Girl Scout Cookie Program begins.

The Fall Product Sale also provides guidance by helping girls develop the 5 Skills: **Goal Setting, Decision Making, Money Management, People Skills, & Business Ethics.**

Get Started

You can take orders from your customers on the Nut Order Card or create your own online store. You can send emails to family & friends asking for their support. Visit www.gsnutsandmags.com/gssc to get started!

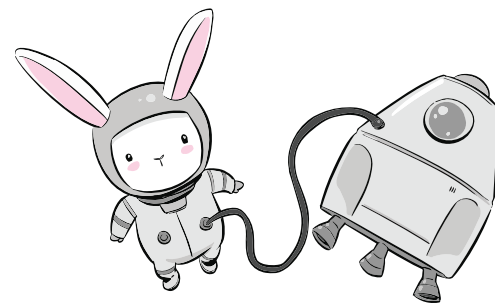

What's New

- More than 3 Billion Avatar Combinations! Girls can now earn the Avatar patch for selling 2 magazine subscriptions and 40 Units of nuts during the entire sale.
- Me2 Speaks - Girls can add their own recorded message to tell their customers about their goals or use the default Me2 voice.

Training & Resources

You can watch our webinar training video and download all your forms and guidebooks online at gssc.us.

Booth Sales End Dec. 3

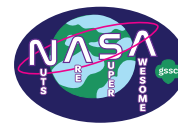

Remind customers that nuts and candy make great hostess, bus driver and teacher gifts!

(Wrap a few cans together with colorful ribbon for display and watch the sales soar!)

Great locations include banks, supermarkets, and houses of worship.

Special Booth Weekends

Host a booth sale during these weekends, sell 70+ of nut products, and earn these special patches:

November 17-19:
NASA "Nuts Are Super Awesome"

December 1-3:

Making a Promise: Girls in Troop 215 learned the Girl Scout Promise! They worked hard together to learn it. Great job, girls!

Recycling Experts: Girls in Troop 239 recycled plastic caps and lids to make park benches for 5 schools in the South Huntington School District as part of their Bronze Award project. One ton of plastic will have been recycled at the end of the project.

Bridging from Bronze: Girls in Troop 2379 earned their Bronze Award, and then bridged to Cadettes with a silver key ceremony.

Silver Stars: Girls in Troop 783, SU 10, celebrated earning their Silver Award at a special ceremony with all the Huntington area Service Units. Many dignitaries were in attendance to mark this achievement.

Going for Gold: Girls in troop 1331 were all smiles for their official Gold Award portrait.

Collecting for a Cause: Girls in Daisy troops 1014 and 1773 collected supplies for the Ronald McDonald House Family room at Stony Brook University Hospital.

GSSC OFFERS NEW ENERGY PATCH PROGRAM IN PARTNERSHIP WITH PSEG LONG ISLAND

As part of its STEM initiative, GSSC has partnered with PSEG Long Island in unveiling a new patch program that teaches girls the importance of energy conservation. Girls who complete the requirements receive the exclusive Energy Patch.

The new program addresses topics such as home energy conservation, emergency preparedness, indoor electrical safety, electric vehicles and much more.

"We are delighted to partner with PSEG Long Island as we offer this unique patch program to girls,"

says Yvonne Grant, President & CEO of Girl Scouts of Suffolk County. "Girl Scouts pledge to use resources wisely and respect their environment, and PSEG Long

Island's Energy Patch Program is a terrific way to teach girls about the importance of conservation."

For more information on the Energy Patch Program, visit www.gssc.us.

RACE CAR BOASTS GSSC PRIDE AT NATIONAL COMPETITION

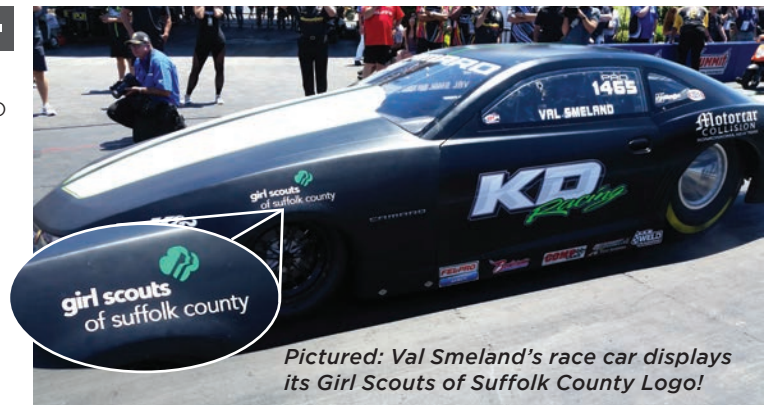

Race car driver Val Smeland, a 20 year veteran of the National Hot Rod Association (NHRA), recently raced his car at a national competition in Chicago, Illinois.

Typically, decals on a race car are used to promote the driver and his or her supporters and sponsors. Val's wife, Donna Smeland, is Chair of the Board for GSSC. So, in a show of support, Val displayed a Girl Scouts of Suffolk County decal on his car.

After the race, a group of Girl Scouts from Girl Scouts

of Greater Chicago of North Eastern Indiana stopped by the pit to visit Val and his crew because they noticed the logo on his car. Not only were the girls fans, but a few of them were also Junior Dragster competitors!

It just goes to show that Girl Scouts can do anything. Plus, one of the great things about racing is that not only are there many women fans,

Pictured: Val Smeland's race car displays its Girl Scouts of Suffolk County Logo!

but there are many women competitors as well.

Congratulations to Val Smeland on a great race, and many thanks to him for his unique show of support for Girl Scouts of Suffolk County!

Paddle Pleasure: Girls in Troop 4000 were ready to go paddle boating at Camporee 2017 at Camp Edey!

Ya Gotta Have Art: Girls in Brownie Troop 1151 had a blast at an SU paint night while creating an Earth Day painting.

Historical Haven: Girls from troop 2091 visited Bethpage Restoration Village during the WWII reenactment. They learned about life during the War from living historians, and took a photo with Congressman Peter King.

School Beautification: Girls in Troop 1124 completed a community service project at their elementary school. The troop used some of the money they earned from cookie sales to clean up the front flower beds and plant new flowers.

Bridging Bonanza: Fifty-seven girls in SU 34 recently bridged to the next GS level. The following troops bridged: 144, 1661, 617, 2083, 19 and 1977. Congratulations to all of the girls!

Helping Out Animals: Girls in Troop 1430 built a toy chest for pet toys and collected donations for the Islip Animal Shelter.

VOLUNTEERING WITH GSSC JUST GOT EASIER!

GSSC has recently debuted the Customer Engagement Initiative (CEI) that consists of three all-new, online tools—a membership registration system, a newly-designed website, and the **Volunteer Toolkit (VTK)**.

These items will provide a quality, customer-centric and consistent experience, resulting in girl and volunteer membership growth. Here are the facts:

The Benefits

- CEI will make for a faster and easier way to join Girl Scouts. The process now takes only one week instead of four to six weeks.
- Volunteers can find content quickly and easily on the new website (www.gssc.us) by using the “search” function. Searching for forms and events just got easier!

- Volunteering will now take less than 100 hours per year, instead of the 200 hours of years prior.

The Volunteer Toolkit

- The Volunteer Toolkit (VTK) will make managing a troop so much easier.
- Volunteers can manage troops, plan meetings for the year, communicate with girls' parents, and connect with other volunteers—and all at the touch of a button!

Opportunity Catalog

- The new online Opportunity Catalog makes joining a Girl Scout troop a snap!
- The catalog allows parents and volunteers to search for troops and locations and meeting days that work for them.
- The catalog also shows the volunteer positions that need

to be filled to start a troop. Volunteers will be appointed to a troop in one week instead of the four to six week process under the old system.

- Parents will be regularly informed of their girl's status regarding joining a troop.

The Bottom Line

The formula is simple: More volunteers recruited = more girls are served = an enhanced and more relevant Girl Experience!

GIRL SCOUTING STILL BEST FOR GIRLS

Girl Scouting remains the best girl-led leadership program in the nation for more than one hundred years.

The Boy Scouts of America's (BSA) Board of Directors recently voted to include girls in their recruitment efforts. Girl Scouts of Suffolk County (GSSC) remains committed to and believes strongly in the importance of the all-girl, girl-led, and girl-friendly environment that Girl Scouts provides, which creates a necessary safe space for girls to learn and thrive. We are proud to offer valuable experiences for girls such as STEM, outdoor, entrepreneurship, and life-skills programming.

We are dedicated to ensuring that girls are able to take advantage of a program tailored specifically to their unique developmental needs. Only Girl Scouts has more than 100 years of experience helping girls tap into their leadership potential by reinforcing and extending the skills they learn in school in a supportive, encouraging environment in which they feel safe to be themselves. Statistics show that single-gender environments among youth benefits both boys and girls, as they promote collaboration instead of competition without the stress and pressure that coed environments can perpetuate.

BSA's announcement has also promoted some misconceptions such as Girl Scouts does not offer a recognition like the Eagle Scout Award, and does not offer quality outdoor programs.

Of course, those in Girl Scouting know that neither of these sentiments are true. The Girl Scout Gold Award is the highest

award a girl can earn in Girl Scouting. Ninety-six percent of Gold Award Girl Scouts attributes Girl Scouts to encouraging them to set ambitious goals, and 81% consider themselves leaders, compared with 50% of non-alumnae.

Additionally, the Girl Scout Gold Award requires more than 80 hours of community service. The project must meet an expressed need in the community, have a global impact, and be sustainable for three years.

GSSC also offers a robust repertoire of outdoor programs. Girls can choose from a myriad of outdoor experiences such as camping, archery, canoeing, corcls, outdoor cooking, fishing, hiking, and many more.

Girl Scouts is, and will remain, the scouting program that truly benefits girls by providing a safe space for them to learn and lead. GSSC is proud to continue this tradition, and looks forward to many more years of helping girls become the strong, confident and successful leaders of tomorrow.

SUPPORT SISTER SCOUTS IN DISASTER-STRICKEN AREAS

GSSC's thoughts and warm wishes continue to be with our sister Girl Scout councils impacted by Hurricanes Harvey, Irma and Maria: Girl Scouts of Caribe, Girl Scouts of Citrus, Girl Scouts of Gateway, Girl Scouts of Gulfcoast Florida, Girl Scouts of Southeast Florida, Girl Scouts of Tropical Florida, Girl Scouts of West Central Florida, Girl Scouts of Historic Georgia, Girl Scouts of San Jacinto, Girl Scouts of Central Texas, Girl Scouts of Greater South Texas and Girl Scouts of Louisiana-Pines to the Gulf.

We also continue to think of those Girl Scouts who have been affected by the wildfires in California.

If you would like to donate items to help those in disaster-stricken areas, please contact your local township. Many are setting up distribution centers to send supplies to those who have been hit hardest by the recent series of natural disasters.

Together, let's show our sister scouts that we stand strong with them during this difficult time.

TM

From dive tanks to infinity rooms to inspirational speakers (and more!), G.I.R.L. 2017 truly was an epic event—and the LARGEST girl-led event in the world! Hosted by Girl Scouts, this mega event took place in Columbus, Ohio, October

6–8, and provided every G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)TM with unforgettable experiences.

And before G.I.R.L. 2017 kicked off, hundreds of Girl Scout delegates—both girls and

adults—traveled from across the United States to represent their councils and the Girl Scout Movement at the 54th National Council Session. At this meeting, delegates are responsible for influencing the strategic direction of the Movement

by providing guidance to the Girl Scouts of the USA Board of Directors, whether through board member elections, promoting positive change and more.

GSSC was delighted to be part of this extraordinary experience, and sent 10 delegates to the National Session: Terry Doherty, Tom Flanagan, Jennifer Glover, Yvonne Grant, JeanAnn Johnston, Jenna Kierstedt, Jackie Morgan, Kerrie Ryan, Tammy Severino, and Donna Smeland.

GSSC also sent 6 Girl Scouts to the G.I.R.L. 2017 session, including Girl Scouts Grier Adams, Naomi Blowe, Jazmine Bush, Chloe Bzdyk, Margaret Hoge and Julia Jacobellis, as well as two adult chaperones: Alena Berenblatt and Florence Ellis-Ward.

We're looking forward to the 55th National Council Session in 2020!

GSSC'S PRESIDENT & CEO INDUCTED INTO LONG ISLAND BUSINESS NEWS' HALL OF FAME

Yvonne Grant, Girl Scouts of Suffolk County's President & CEO, was recently honored as one of Long Island Business News' (LIBN) Top 50 Women, and was inducted into their Top 50 Women in Business Hall of Fame.

The award recognizes women throughout Long Island for excellence in community service, mentoring and business. This will be Yvonne's third recognition by LIBN, securing her placement into their Top 50 Women in Business Hall of Fame. Congratulations, Yvonne!

Pictured front row from left: Jacqueline Morgan, GSSC Staff; Jenna Kierstedt, GSSC Staff; Yvonne Grant, GSSC President & CEO & LIBN Honoree; & Will Grant, Yvonne Grant's Husband; Back row from left: Donna Smeland, GSSC Chair of the Board; Russell Thompson, GSSC Staff; Thomas Flanagan, GSSC Staff; Ketsia Baptiste, GSSC Staff & Kyle Grant, GSSC Staff.

It was an inspiring evening of friendship and excellence as more than 85 of GSSC's finest received the Girl Scout Gold Award at East Wind in Wading River on June 6, 2018.

The Girl Scout Gold Award, Girl Scout's highest honor, is earned through completion of a project that meets an expressed need in the community.

A Gold Award Girl Scout becomes a leader whose accomplishments have a lasting, positive impact on the community.

The skills she develops and the experiences she has all help to lay a solid foundation for a lifetime of active citizenship.

GSSC wishes its 2016-2017 Gold Award Girl Scouts much success and happiness as they take the next journey in their lives!

Boating Bliss: Girls in Service Unit 59 participated in Riverhead's 7th Annual Cardboard Boat Race. The girls won the Single Rower Competition AND Best Captain, and took home 2 trophies-one for their fabulous engineering and the other for their incredible spirit.

Outdoor Adventurers: Troop 1556 spent the weekend at Camp Jewell. The girls had an amazing time hiking, learning survival skills, kayaking/canoeing, horseback riding, learning team building skills and doing archery.

Celebrating Peace: In celebration of the United Nation's "International Day of Peace," girls from SU 56 made more than 700 pinwheels that were planted at the Emma Clark Library in Setauket.

Lighthouse Ladies: Girls in troop 2861 spent a beautiful Saturday learning about the 4th oldest working Lighthouse in New York and different Birds of Prey from East Quogue Wildlife Refuge.

Beachy Clean: Girls in Troop 3086 helped clean up Sunken Meadow Beach for the Intercoastal Beach Clean-Up. The girls worked in teams to collect and tally the garbage.

Totally Tough: Girls in Troop 889 attended the 2017 West Point Military Academy Camporee--the largest scout camporee in the nation. The girls took home first place on the Leadership Reaction Course, where they found their way out of a maze in the woods with one girl blindfolded and one on a stretcher while carrying 20lbs of water uphill. Awesome job, girls!
