Girl Scouts of Suffolk County's Holiday Light Show A Festive Family Tradition Since 2004

*Your generous support
directly benefits
children & families*

When you support the Holiday Light Show, you are also supporting the people in your community. Girl Scouts' unique programs and services are offered to all children in a myriad of ways: traditional avenues, such as troops, partnerships with school districts in STEM and Arts education, learning opportunities with other

agencies, and programs for children and families in underserved communities.

The Light Show enables Girl Scouts to continue to send children in need to summer camp and to maintain its stewardship of two camp properties: Camp Edey in Bayport on the Sans Souci Lakes, and Camp Sobaco in Yaphank's Pine Barrens on the banks of the Carman's River.

Girl Scouts of Suffolk County • 442 Moreland Rd.
