

PAST PRESIDENTS' SCHOLARSHIP

All **registered** 12th grade, graduating Ambassador Girl Scouts are eligible to apply for this scholarship. The application, references and instructions will be mailed directly to each registered girl's home.

The applications are due by March 8, 2010. The Scholarship Selection Committee reviews each scholarship application anonymously. The committee is made up of adult volunteers and 11th grade Girl Scouts.

The recipients will be advised that they have been selected and the scholarships will be presented at the Annual Meeting of Girl Scouts of Suffolk County on April 21, 2010. If you have any questions, please contact Micheline Coley at ext. 218 or at mcoley@gssc.us.

SPECIAL REQUEST TO ALL SERVICE UNITS:

The Scholarship Selection Committee is looking for committee members both adult and girl (11th grade) to serve on this very important committee. The girls who serve on this committee will be responsible for reviewing upwards of 100 applications in a relatively short period of time. This is a very large undertaking, so please consider the commitment necessary when suggesting girls to serve. The applications will be delivered to committee members on disc only.

Please speak with your Older Girl Consultants and send the names of girls who fit these criteria who would be interested in participating in this process. Names should be sent to Micheline Coley at mcoley@gssc.us. Thank you.
