

# Pet Disaster Supply Kit Checklist

- medical and immunization records and information (remember your Veterinarian's name and phone number) in waterproof container
- any medications your pet may be taking
- pet food and treats
- water supply in plastic containers
- Can opener for canned food (make sure it's non-electric!)
- a pet Carrier or Cage
- an I.D. tag, collar and leash
- toys
- photo of your pet in case it gets lost
