

The Mags & Munchies Fall Product Program is winding down, but there are still ways that you can participate. [Get Started Online](#)

## Ways to Participate

- ▶ **Online:** Magazines and direct shipped nuts and candy are still available from your Girl Scout's online storefront. You can share your storefront with a QR code, an email, or even by text! [Learn more.](#)
- ▶ **Booth Sales & Walk-a-bouts:** You can also schedule a booth sale or walk-a-bout with your troop. Talk to your SU Fall Product Manager and fill out the [online form to pick up your products.](#)
- ▶ **Catch-Up Orders:** Do you have additional orders coming in after your initial sale? Use the [Catch-Up Request Form](#) to request more product for your troop. You can also share this [Catch-Up Order Card](#) with your Girl Scouts so they can reach out to more customers. Or they can let customers that have already purchased products that the program is ending soon.
- ▶ **Stand-a-bouts:** Parents & Caregivers can also get in on the fun. [Request a stand-a-bout](#) (like a lemonade stand, but with delicious nuts & candy) and you can sell products to your friends & neighbors. Use door hangers to let your customers know you'll be selling. You can print them from your online storefront.

## Care to Share

Last year, we donated over 3,200 nuts and candy products to Long Island Cares. This is a great way for customers to give back to the community!

- ▶ Girls collect donations (in \$7 increments) and council takes care of delivering the product!
- ▶ Each donation is credited to the girl's sales and the Troop receives \$.80 in Troop proceeds per unit sold.
- ▶ Girls earn the Care to Share patch by receiving 6 or more donations.

## ACH Information

- ▶ Troops must have a valid [ACH form](#) submitted at the beginning of the Girl Scout year to participate in Product Programs.
- ▶ All monies collected from families and/or sales from Booth Sales needs to be deposited into the Troop Bank Account.
- ▶ You won't have to worry about deposit slips, and you won't have to wait for your rebate.
- ▶ **Payment Information:** Since this is our first year performing an ACH pull, we have decided to wait until the week of November 29 to pull the money due to council. There will NOT be pull the week of November 8. Please continue to deposit the money from your sales into your Troop bank account.
  - Please make sure you have enough funds in your troop account for the ACH pull. You will be responsible for charges incurred if the account does not have enough money to pay the balance owed. If any changes have been made to your banking, you need to be alert council right away and a new [ACH form](#) needs to be filled out.
- ▶ Stand-a-bouts are paid online by the parent/caregiver and will not be entered into the system until the stand-a-bout balance has been paid.

## Tips & Tricks

- ▶ The holidays are coming and products from the Mags & Munchies Product Program make great gifts! Remind your customers that they can still order products for their friends and family.
- ▶ Use graphics from our [Social Media Toolkit](#) for one last push toward earning top rewards and proceeds for your troop.
- ▶ There is still time to share your avatar! With millions of combinations available, making your avatar is half the fun! And don't forget to take a look at your troop photo.
- ▶ Looking for more ways to engage your troop? This year we have an [Activity Guide](#) with games and information on our mascot, plus a [Goal Chart](#) to track your progress.
