## *About The Girl Scout Gold Award*

The Girl Scout Gold Award, Girl Scouting's highest honor, is earned through a project that meets an expressed need in the community.

Senior and Ambassador Girl Scouts are challenged to excel in the areas of leadership and service as they utilize skills learned from the Journeys to complete their Gold Award project.

Earning the Girl Scout Gold Award is no simple task. It requires completion of a series of steps: identify a community need; investigate it thoroughly; request help and build a team; create a plan; present the plan; gather feedback; take action; and educate and inspire others.

In reaching out to others, these young women learn about the talents and strengths within themselves.

A Gold Award Girl Scout becomes a community leader whose accomplishments set her apart from the rest. The organizational skills, leadership skills, and sense of community and commitment that come from “going for the gold” set the foundation for a lifetime of active citizenship. The list of opportunities is endless.

Our sincerest congratulations to these young women of whom we are exceedingly proud. These women are the leaders of tomorrow, and we confidently leave the future of Girl Scouting in their very capable hands.

## Honoring Young Women of Excellence

Dear Friends,

This year, Girl Scouts of Suffolk County is celebrating its 50th Anniversary—that's half a century of helping girls make great strides in leadership, while learning about the importance of serving others. Our Gold Award Girl Scouts exemplify this tenet better than anyone.

Our Girl Scouts have been, and continue to be, extraordinary. These young women have worked hard to address a need both within and beyond their community. They have shown that no challenge is too big to overcome, and that unprecedented efforts can yield infinite rewards, both personally and peripherally.

The values and lessons these girls have learned through completing their Gold Award projects will benefit them for the rest of their lives—and we are delighted to recognize their outstanding achievements.

Yours in Girl Scouting,

She attended the 2014 National Convention in Salt Lake City as a Council Delegate and the 2017 National Convention in Columbus, Ohio, as a girl chaperone. Alena feels honored to be a Gold Award mentor and enjoys helping girls from around Suffolk County achieve the highest award in Girl Scouting

**Kathy Ciano** is a longtime Girl Scout, having attended a Wider Opportunity and achieved First Class as a young woman. She later volunteered as a Leader and has held Service Unit team positions such as Coordinator, Consultant, Organizer, Nuts and QSP Manager and currently serves as a Council Trainer. She loves watching the girls' ideas come to life on the path to Gold and seeing them make a difference.

**Cheryl D'Agostino** was a Brownie Girl Scout, served as a Girl Scout Leader and is the proud mother of a Gold Award Recipient. She has volunteered in her Service Unit as Coordinator, Treasurer and Campaign Manager. She loves that being a Gold Award Mentor allows her to watch girls take the journey toward becoming the best they can be.

**Colette Galvez** was a Girl Scout, is currently the Coordinator for Service Unit 46, and has been a leader for 10 years. She has served on her Service Unit Team in a variety of ways including Treasurer, Organizer, and Community Service Coordinator among others. Colette's passion for Girl Scouting is a wonderful asset to the Gold Award Support Team and to the girls who are "going for Gold."

**Lisa Garzona** was a Girl Scout from Brownies through Senior year in High School. She has been a leader since 2009, and is currently the Leader for her niece's troop. Lisa was the Coordinator for her Service Unit from 2011-2014, and has been a Gold Award Mentor since 2014. She loves the Girl Scout organization, and is very excited to be a part of the Gold Award Support Team.

## Gold Award Support Team

**Victoria Genovese** was a Girl Scout from second through sixth grades, and a Troop Leader from first grade Brownies through Ambassador Girl Scouts with her daughter's troop. Her troop of 13 Ambassadors had 10 Girl Scouts receive their Gold Award, which proved to be an amazing experience. Because of this, Victoria was excited to become a Gold Award mentor so that she could continue to encourage girls on their Gold Award journey.

**Joan Godbold** has been a member of Girl Scouts since 1985, reaching Cadette level, leading her daughter's troop and volunteering as the Older Girl Consultant in the Port Jefferson area. Joan attended the National Convention as a Council delegate in 2005 and 2008, and as a girl chaperone in 2011. Joan became a Gold Award mentor to stay involved with older girls and to encourage them to continue in Girl Scouts.

When her tenure as Service Unit Coordinator ended, Mary joined the Gold Award Support Team, and became a member of the Membership Advisory Committee. She enjoys mentoring girls as they work toward earning their Gold Award.

**Laverne Perez** was a Cookie Coordinator and a Troop Leader/Advisor in West Babylon for several years. Once the 11 girls in her troop graduated, she chose to become a Gold Award mentor to inspire girls by guiding them to develop leadership skills and a lifetime of confidence. Girl Scouting is important to Laverne because she feels it is essential that girls know themselves by exploring the world.

**Doryce Polanish** was a Brownie Girl Scout and leader for her daughter's troop for 13 years in the Commack area until her daughter received her Gold Award. Her favorite thing about being a Gold Award Mentor is seeing the pride and excitement each girl feels upon completing her project.

## Gold Award Support Team

**Pat Ramo** has had a full career as a Girl Scout and received First Class. She was a leader for 14 years, including leading a troop for girls with physical and cognitive disabilities, served as Older Girl Consultant in the Bayport, Blue Point, and Sayville areas, and as Council Trainer. Her most memorable moment as a Gold Award Mentor was the honor of reading the Girl Scout Charge at a ceremony of a girl she had advised.

**Janet Recchia** became involved with Girl Scouts as a Brownie leader for Troop 91 in Northport-East Northport. She is a past Coordinator for Service Unit 1 and remains a Service Unit Team Member. In 2015, she led her Ambassador troop on a European Tour, visiting Pax Lodge along the way. After guiding girls through the Gold Award, she was happy to become a Gold Award mentor to help older girls grow, learn, lead and reflect through completion of the Gold Award.

**Liz Sosulski** was a dedicated Girl Scout Leader and has held volunteer positions in the Smithtown, St. James and Nesconset areas that include Service Unit Coordinator, Treasurer and Organizer. # GUIDE TO AN ALLERGY FRIENDLY RESTAURANT

A Girl Scout Gold Award

Our project helps restaurants become allergy friendly by educating managers, owners, chefs and servers about allergy safe food preparation, the importance of stricter cross-contact prevention (preventing the allergen from contacting the customer's food) and creating the best pantry safe for them to consume. It also educates awareness, allergy protocols, and more. We are helping restaurant owners and staff safety serve the rapidly growing population of people with allergies through our campaign.
