

Lighthouse

To earn this patch, each girl must complete 6 of the following 8 listed activities:

- **Activity 1:** Visit a lighthouse in your area. Learn about its history and share your findings with your troop.
- **Activity 2:** Create a lighthouse craft, such as building a lighthouse using beach materials. Just use your imagination!
- **Activity 3:** Design a lighthouse based on a real one. What's the significance of its pattern? Why is it a certain shape? What are its surroundings and why? Make a drawing and share it with your troop.
- **Activity 4:** Research lighthouses and how they work.
- **Activity 5:** Participate in a beach clean-up. Have an adult assist with sharp or rusty objects.

- **Activity 6:** Help promote your local lighthouses by creating a brochure for a lighthouse you have visited or would like to visit. Include hours, fees and interesting facts. Share your brochure with your troop, family, friends or school.
- **Activity 7:** Interview someone who works at a lighthouse or who has a job preserving historical landmarks. What's it like to work at a lighthouse? Why is it so important to keep history alive?
- **Activity 8:** Learn about lighthouse culture by reading a book or poem, listening to sailor music or studying an artwork related to lighthouses and the sea.
