Confidence, & Character,
Make The World a Better Place*

ABOUT GIRL SCOUTS OF SUFFOLK COUNTY

At Girl Scouts of Suffolk County, our mission is to build girls of courage, confidence, and character who make the world a better place.

The Girl Scout Leadership Experience is centered on four pillars-STEM, Outdoors, Life Skills, and Entrepreneurship, and is designed to build confidence in every girl, regardless of background or ability. Guided by supportive adults and peers, girls develop their leadership potential through age-appropriate activities that enable them to discover the world around them.

Today’s Girl Scouts are tomorrow’s world changers, and at Girl Scouts of Suffolk County, we are committed to helping every girl build a foundation for success.

Girl Scout Promise

On my honor, I will try:
To serve God* and my country,
To help people at all times,
And to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong,
and responsible for what I say and do,
and to respect myself and others,
respect authority,
use resources wisely,
make the world a better place,
and be a sister to every Girl Scout.

LETTER TO SUPPORTERS

Dear Friends,

At Girl Scouts of Suffolk County, our mission is clear: to build girls of courage, confidence, and character who make the world a better place. We believe in the limitless potential of every girl, so we create meaningful opportunities that allow her to thrive—regardless of background or ability. Through girl-led, hands-on, and cooperative experiences, Girl Scouts helps today's girls grow into tomorrow's leaders.

Your support of our Golf Classic reaches far beyond the course. It makes our mission possible and fuels our Community Programs Initiative, which will bring staff-led, school-based programming to more than 30 schools every year. With your generosity, we can remove barriers and open doors, ensuring that every girl has the chance to discover her strengths, gain leadership skills, and form friendships that last a lifetime. Because of you, we can expand programs, provide vital resources, and keep our promise that no girl is ever turned away from Girl Scouts due to financial need.

Thank you for your generosity, partnership, and investment in the next generation of changemakers right here in Suffolk County.

Warmly,

Tammy Severino

ABOUT OUR HONOREE

John Horan, *R&J Consulting Services*

John Horan is the founder of R&J Consulting Services, a multi-million-dollar company he built from the ground up through grit, strategic vision, and an unwavering commitment to relationships. His growth strategy centers on trust and reputation, with a significant portion of his business expanding through referrals and long-term partnerships.

As both a business leader and a dedicated father, John is driven by the goal of securing a strong financial future for his family. His entrepreneurial journey is marked by a unique ability to blend personal passion with professional pursuits.

An avid golfer and coach, John believes in the power of mentorship and teamwork—principles he applies both on the course and in the boardrooms. Whether building business connections or guiding others toward their goals, he thrives on creating meaningful relationships that foster growth and success.

Under his leadership, R&J Consulting Services continues to grow and diversify, reflecting John's belief that strong values, hard work, and community are the true drivers of lasting success.

John and his family, as long-time supporters of Girl Scouts (his daughters are Girl Scout alumnae, and his wife was a cookie mom), understand the impact our mission can have on a girl's life. By empowering Girl Scouts with leadership skills and opportunities that boost their confidence, we can foster the next generation of changemakers to improve their communities and the world around them, just as John has endeavored to do through his business career.

How Girl Scouts Can Support Mental Health*

*“Because of Girl Scouts, I’ve had a community
and a safe place to be myself.”*

of girls feel
like being in
Girl Scouts

mental health.

Girls say Girl Scouts
provides...

- ✓ A safe space
- ✓ A program that teaches leadership, courage, confidence, & character
- ✓ Social support & friendships
- ✓ Supportive adult relationships
- ✓ Consistency & comfort in a time of change

“Girl Scouts has taught me to be self-confident, which is very good for my mental health. I have learned to be brave when trying new things, which reduces anxiety I might have had when put in new or uncomfortable situations. I have learned to be adaptable. Girl Scouts’ encouragement of always trying new things has led me to pursue activities that make me happy.”

Community Programs Initiative

We are dedicated to ensuring that every girl has the opportunity to experience the transformative power of Girl Scouting. This commitment is epitomized by our in-school initiative. By bringing Girl Scouting directly into schools, we break down barriers and provide a pathway for all girls to discover their potential, build leadership skills, and develop lifelong friendships.

Last year, we brought the Girl Scout program to over 3,267 girls across diverse communities in 50 programs in 16 school districts.

This year, we will be launching 37 programs in 9 districts and starting 4 new pilot programs to bring Girl Scouts to after school.

Invest in a Girl-led Future

Scholarships make dreams real. Up to 85% of Girl Scouts in these programs need financial aid and we are committed to ensuring that no girl is turned away due to financial barriers.

Partner Patch Program

This is a unique opportunity for businesses and organizations to engage with local Girl Scouts while gaining visibility within our community. Whether you’re looking to distribute custom patches, host hands-on programs, or both, there’s a level that fits your goals and budget.

Community Patch Partner

Become a destination for Girl Scouts by offering a custom-designed patch that they can earn just by visiting your location! Your organization will be featured on our website, social media, and in emails to our members across Suffolk County, so Girl Scouts can earn their patch with you.

Choose Your Level:

- \$1,500 → 750 custom-designed, full-color patches
- \$1,000 → 450 custom-designed, full-color patches
- \$500 → 200 custom-designed, full-color patches

Additional patches available at cost. We’ll deliver the patches directly to your place of business.

Signature Program & Patch Partner

Take it a step further and host a Girl Scout program at one of our locations (Camp Edey, Bayport or Main Office, Commack) while still distributing patches from your place of business. Programs must align with one of the four pillars of Girl Scouting (STEM, Outdoors, Life Skills, or Entrepreneurship) and offer a unique experience for our girls. Scheduling is subject to availability, ensuring a diverse lineup of programs. We’ll promote your program through our website, email, and social media to our members.

Choose Your Level:

- \$1,500 → 6 programs per year + 500 custom patches
- \$1,000 → 4 programs per year + 300 custom patches
- \$500 → 2 programs per year + 150 custom patches

Additional patches available at cost. Patches can also be distributed from your place of business.

Not Sure Where Your Business Fits? Let’s Talk!

If you want to be part of this program but aren’t sure which pillar is the best fit, reach out to us! We’re happy to help tailor an experience that works for your organization while providing meaningful opportunities for Girl Scouts. Email Angela Perrone, Fund Development Manager, at aperrone@gssc.us or call (631) 543-6622 ext. 245.

Become A Girl Scout Corporate Cookie Connections Partner

Sponsor Girl Scout Cookies and support Girl Scouts in their goals!

The Girl Scout Cookie Program is the largest girl-led entrepreneurial program in the world and teaches essential skills like money management, public speaking, and decision making, to set girls up for a lifetime of success. Every cookie purchase is an investment in the world-changing business leaders of tomorrow. What's more, proceeds from your purchase stay local to power amazing experiences and leadership opportunities for girls across Suffolk County.

The Corporate Cookie Connections Program is designed to help Girl Scouts build their skills in communication, organization, and responsibility as they learn about cookie partnerships and closing a deal! Girl Scouts will learn to identify business prospects and create strategies for engagement. They'll create a proposal to guide their pitch to prospective clients. Plus, they'll receive tools that can be used once a sponsorship is secured to thank their clients and create long-lasting partnerships.
