

# FOOD FOR FRIENDS

IN PARTNERSHIP WITH AGAPE

**Now thru May 31**

**Over 70,000 children on Long Island live with hunger and food insecurity.**

**Agape Meals for Kids** gives backpacks with food to children who are in need. Every Friday, they are given this backpack filled with comfort after school with 7 easy-to-make meals and snacks. *After all, **Agápē** means unconditional love.*

**Help GSSC and Agape make a difference and work together to fight hunger.**

Girl Scouts & Troops can collect food items & drop-off at any of our 3 office locations during business hours. You'll receive a special patch bracelet for your donation. Learn more, view list of food and download our flyer/worksheets to hand out at
