About The Girl Scout Gold Award

Problem solver. Go-Getter. World Changer. That's what it means to be a Gold Award Girl Scout.

The Gold Award is the highest achievement in Girl Scouting and the preeminent leadership award for high school girls. A Gold Award Girl Scout, no matter her background or ability, learns to tap into the world-changing power within her. She identifies an issue that's important to her and develops and implements a sustainable solution with measurable impact for her community and beyond.

Gold Award Girl Scouts are recognized leaders that set themselves apart through their perseverance and courage. As they take action to transform their world, they gain tangible, real world skills and prove they are the leaders that campuses and communities need.

Making the world a better place starts in a Girl Scout's heart. Gold Award Girl Scouts use their interests and passions to embrace challenges and make a difference. In reaching out to others, these young women learn about the talents and strengths within themselves.

We are exceedingly proud of these young women and offer our sincerest congratulations for all they have achieved. They are the leaders of tomorrow, and we confidently leave the future of Girl Scouting in their very capable hands.

Honoring Young Women of Excellence

Dear Friends,

For over 50 years, Girl Scouts of Suffolk County has helped shape future leaders and innovators through learning the importance of courage, compassion, and community service. Gold Award Girl Scouts are doers and dreamers—determined to make the world a better place.

The Gold Award Girl Scouts of this year have made extraordinary strides to meet the needs of their communities through their Gold Award projects. These young women have shown that no matter the circumstances or hardships they may face, anything is possible when they put their mind to something.

Our Gold Award Girl Scouts continue to perfectly encapsulate the kind of character reflected within the Girl Scout mission. With their commitment and determination, our Gold Award Girl Scouts have worked tirelessly to address issues and invoke change within our communities. They have not only created positive, immediate impacts, but long-lasting changes that will continue to better our communities.

On behalf of everyone at the Girl Scouts of Suffolk County, we thank our Gold Award Mentors, Girl Scout volunteers, and Girl Scout families for their continued support in assisting our girls through this highest achievement. Together, we have been able to support and shape the next generation of strong, tenacious, and courageous community leaders.

We are so proud of our exceptional Gold Award Girl Scouts, and look forward to celebrating their future positive influences and triumphs.

Yours in Girl Scouting,

Chair of the Board

Alena Berenblatt has been active in Girl Scouts since 2005, serving as a Girl Scout Leader for her daughters' troop as well as Organizer, Fall Product Manager, Permit Manager and Coordinator for the Service Unit in Babylon Village. She attended the 2014 National Convention in Salt Lake City as a Council Delegate and the 2017 National Convention in Columbus, Ohio, as a girl chaperone. Alena feels honored to be a Gold Award mentor and enjoys helping girls from around Suffolk County achieve the highest award in Girl Scouting

Kathy Ciano is a longtime Girl Scout, having attended a Wider Opportunity and achieved First Class as a young woman. She later volunteered as a Leader and has held Service Unit team positions such as Coordinator, Consultant, Organizer, Fall Product Manager and currently serves as a Council Trainer. She was awarded the 2021 Nancy Entenmann Award for her outstanding volunteerism and contributions to the council. She loves watching the girls' ideas come to life on the path to Gold and seeing them make a difference.

Cheryl D'Agostino was a Brownie Girl Scout, served as a Girl Scout Leader and is the proud mother of a Gold Award Girl Scout. She has volunteered in her Service Unit as Coordinator, Treasurer and Campaign Manager. She loves that being a Gold Award Support Team member allows her to watch girls take the journey toward becoming the best they can be.

Colette Galvez was a Girl Scout, is currently the Coordinator for Service Unit 46, and has been a leader for 10 years. She has served on her Service Unit Team in a variety of ways including Treasurer, Organizer, and Community Service Coordinator among others. Colette's passion for Girl Scouting is a wonderful asset to the Gold Award Support Team and to the girls who are "going for Gold."

Victoria Genovese was a Girl Scout from second through sixth grades, and a Troop Leader from first grade Brownies through Ambassador Girl Scouts with her daughter's troop. Her troop of 13 Ambassadors had 10 Girl Scouts earn their Gold Award, which proved to be an amazing experience. Because of this, Victoria was excited to become a Gold Award mentor so that she could continue to encourage girls on their Gold Award journey.

Joan Godbold has been a member of Girl Scouts since 1985, reaching Cadette level, leading her daughter's troop and volunteering as the Older Girl Consultant in the Port Jefferson area. Joan attended the National Convention as a Council delegate in 2005 and 2008, and as a girl chaperone in 2011. Joan became a Gold Award Support Team member to stay involved with older girls and to encourage them to continue in Girl Scouts.

Mary Grizzle has been active in Girl Scouts since 2008. She has been a troop leader for her daughter, Team Member and Service Unit Coordinator, among other roles. When her tenure as Service Unit Coordinator ended, Mary joined the Gold Award Support Team, and became a member of the Membership Advisory Committee. She enjoys mentoring girls as they work toward earning their Gold Award.

Karin Kouril was a troop leader for both of her daughters' troops in Northport-East Northport, and currently serves as a Service Unit Team Member. She was excited to be able to guide her daughters and many others through the completion of their Gold Award. Karin is proud to be a part of the Gold Award Support Team and to encourage girls to grow and make a positive difference in their community.

Laverne Perez was a Cookie Manager and a Troop Leader/Advisor in West Babylon for several years. Once the 11 girls in her troop graduated, she chose to become a Gold Award mentor to inspire girls by guiding them to develop leadership skills and a lifetime of confidence. Girl Scouting is important to Laverne because she feels it is essential that girls know themselves by exploring the world.

Doryce Polanish was a Brownie Girl Scout and leader for her daughter's troop for 13 years in the Commack area until her daughter earned her Gold Award. Her favorite thing about being a Gold Award Support Team member is seeing the pride and excitement each girl feels upon completing her project.

Liz Sosulski was a dedicated Girl Scout Leader and has held volunteer positions in the Smithtown, St. James and Nesconset areas that include Service Unit Coordinator, Treasurer and Organizer. A Gold Award Support Team member since 2006, Liz enjoys helping girls achieve their goals and the friendships she has formed on the team.

Rose Vermillion has been in Girl Scouts from first grade to twelfth grade. She has been a leader since 2006 with her oldest daughter, and continues to be a troop leader for her younger daughters. She was Service Unit Coordinator for 3 years, and now holds the Events Coordinator position on the team. Rose loved having the opportunity to guide Gold Award Girl Scouts towards their goal, and help motivate them to do the best they can to improve their community.
